

## Ways to pay during COVID - 19

As the impact of COVID-19 evolves we have changed the ways to pay so that you can choose the option that best works for you.

## **Bank Deposit**

You can pay either by internet banking or visit one of the banks noted below.

Please ensure that you include details of your customer reference number and policy number to ensure that we can match the payment with your policy. An example of this is XZH001/12345678.

## **Cash Payments**

We are unable to receive cash payments at this time, instead we ask that you deposit your cash into one of our bank accounts noted above.

## **Cheque Payments**

You can post us a cheque, however this is reliant on the postal service continuing. We recommend that you deposit them into any of our bank accounts above instead.

Cheque payments are to be made payable to Tower Insurance (Fiji) Limited and keep in mind that it can take up to 7 business days to receive and process any cheque payment.

When sending your cheque, please include your remittance advice/ payment slip or alternatively ensure that your customer reference number is written on the back of the cheque. Your customer reference number will normally be found in the top right hand corner of your documents.

Our postal address is: GPO Box 350, Suva, Fiji Islands

For any queries, please call +679 3315 955 or email us on info@towerinsurance.com.fj
