How your policy works

Your Tower House Insurance - Plus cover consists of two documents: this policy wording and your certificate of insurance.

Make sure you read your policy wording and your certificate of insurance so you understand what you're covered for and what your responsibilities are.

This policy wording describes the benefits, exclusions, responsibilities and limits of your cover.

Your certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

We agree to cover you according to the terms outlined in these two documents, as long as you've paid the premium due.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on **+679 331 5955** or at info@towerinsurance.com.fj.

You have certain responsibilities

Here is a list of what you and any person in charge of your contents with your permission must do.

1. You must be honest and fair with us. All your statements made about this policy and any claim must be honest, correct and complete.
2. You must tell us immediately if:
 - a. your house becomes tenanted, or becomes a holiday home
 - b. anyone starts to use or live in your house for any business purpose
 - c. you make any structural alterations to your house
 - d. anyone identifies your property as being at risk from a natural hazard, such as flooding, landslips, geothermal activity, erosion, subsidence
 - e. any information about your property's risk from a natural hazard changes in the council's record or similar document.
3. You must tell us immediately whether you or any other person covered by this policy:
 - a. commits, is charged with, or is convicted of any criminal offence
 - b. has a claim declined or avoided
 - c. has insurance refused or cancelled by an insurance company, or has any special terms added to a policy.

We may change the terms that we insure you on, or the premium, to reflect the change in circumstances that you've told us about.

We may cancel your policy if what you tell us is in our opinion, a substantial change in risk.

4. You and any person in charge of your contents with your permission must:
 - a. take reasonable care to protect and maintain your contents and to avoid legal liability, and
 - b. ensure that your house is securely locked when unattended.
5. You must pay all premiums in full by the due date. If any premium remains unpaid 28 days following the due date for payment, we may cancel this policy (effective from the first day of the period that the unpaid premium relates).
6. If you let your house, or any part of your house, you must make a claim for loss you discover with any accommodation booking service you used before you can claim under this policy.

If you do not comply with your responsibilities under this section, *You have certain responsibilities* on page 25, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy we'll give you 14 days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we've previously paid to you. If we do this, we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

Make sure you have enough cover

You must make sure the sum insured is enough to cover your house. If we find that you have understated the value of your house by more than 20% when claiming for loss, we'll only pay our rateable proportion of the loss. We won't apply this limit if the amount of loss is less than 5% of the sum insured.

How to make a claim

It is important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Call us on +679 331 5955 or go to towerinsurance.com.fj/claim to make a claim online.

You have certain responsibilities at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here is a list of what you and any person in charge of your house with your permission must do at claim time.

Before you lodge your claim

You must:

1. Inform the Police if it appears that there has been arson, theft, burglary or malicious damage and provide details of the complaint to us. For example, the acknowledgement number.
2. Tell us as soon as possible:
 - a. if it is likely that you'll make a claim
 - b. if you or anyone else who may have cover under this policy is charged with any offence that resulted in loss of property or caused bodily injury to someone else
 - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability.
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim form, return that claim form to us within 30 days.

Once you've lodged your claim

You must:

6. Let us inspect the loss if we ask and deal with any salvage reasonably; no property may be abandoned to us.
7. Provide proof of ownership or purchase (such as receipts, bank statements, credit card vouchers, warranties, guarantees, photos, videos, and so on) for any property you claim for.
8. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
9. Comply with all our requests about your claim by providing full cooperation, information and assistance.
10. Not discuss a claim made on you by another person with them; instead, refer them to us.
11. Pay any applicable excess and any applicable additional excess as described under *What excesses you may need to pay* on page 30.
12. Let us instruct a solicitor of our choice to conduct your defence. Follow the recommendations of that solicitor about the conduct or continuation of your defence.
13. Let us talk with that solicitor when necessary about the details of the case and the conduct or continuation of your defence.

After we've accepted your claim

You must:

14. Cooperate fully in any action we take to recover money from other parties involved in your claim.
15. Let us take over for our own benefit and settle any legal right of recovery you may have.
16. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.

17. Tell us if any lost or stolen property that was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

At any time:

18. Do not start repairing or replacing your house or incur any costs (such as surveyors, engineers, demolition or debris removal costs), without our prior approval.

If you do not comply with your responsibilities under this section, *You have certain responsibilities at claim time* on page 27, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel we'll give you 14 days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we have previously paid to you. If we do this we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How we'll look after your claim

When you contact us to make a claim we'll:

1. process your claim within the terms of the policy
2. explain how the claims process works
3. explain what we need to go ahead with your claim
4. if required, arrange for an assessor, investigator or other specialist to inspect the loss and explain the procedure that will be followed
5. keep you updated on your claim's progress
6. give you the information you need on how we'll settle your claim
7. if we decline your claim, we'll clearly explain why.

What excesses you may need to pay

The excess is the amount of any claim that you're responsible for. The excess applies to each event resulting in a claim.

Where loss has been caused on multiple occasions or events an excess will apply to each occasion or event.

Unless the benefit being claimed says it is excess free you'll need to pay your excess. Your excess and any additional excesses that may apply are detailed on your certificate of insurance and in this policy wording.

Where a benefit specifies an additional excess, that additional excess will apply above any other excess on your certificate of insurance.

How we'll settle your claim

The maximum per event that we'll settle your claim for is the least of:

1. the actual cost to repair your house, or
2. the actual cost to replace the actual square metre area of your house before the loss, or the square metre area shown on your certificate of insurance (whichever is the lesser), or
3. the house sum insured as shown on your certificate of insurance.

We'll settle your claim for loss following the process set out below.

Economic repair

If we decide it is economic to repair the loss to your house that is covered under this policy, we'll, at our option, choose one of the following:

1. repair the loss to your house, or
2. pay you for the actual repair cost, as those costs are incurred by you, to repair the loss to your house, or
3. pay you in cash the estimated repair cost to repair the loss to your house.

Alternatively, you may elect to receive in cash the current replacement value of the repairs to your house.

After a partial loss to your house that is covered by this policy, your sum insured will reduce by the amount that it would take to repair that loss. We'll restore the full sum insured once the house has been fully repaired. Cover will not be restored if the house suffers a total loss.

Uneconomic repair

If we decide it is uneconomic to repair the loss to your house that is covered under this policy the following apply:

1. We'll, at our option, choose one of the following:
 - a. replace your house at the situation, or
 - b. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at the situation, or
 - c. pay you in cash the estimated replacement cost to replace your house at the situation.
2. If it is not legally or practically possible to replace your house at the situation, (including for example; because of local authority laws, or the circumstances surrounding the land) then we'll, at your option, either:
 - a. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at an alternative site in Fiji, or
 - b. pay for you to buy another comparable house in Fiji (excluding the value of the land)

provided the cost is not greater than the estimated replacement cost of replacing your house at the situation.

3. If we choose to pay you for the actual replacement cost, as those costs are incurred by you, you may choose one of the following options instead:
 - a. you may be paid for the actual replacement cost, as those costs are incurred by you, to replace your house at another site in Fiji (excluding demolition and removal of debris costs unless actually incurred). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation
 - b. you may be paid for the actual cost of buying another comparable house in Fiji, including necessary legal and associated costs (excluding the value of the land). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation (excluding demolition and removal of debris costs unless actually incurred)
 - c. you may receive a cash payment based on the current replacement value of your house, as assessed by us, excluding demolition and removal of debris costs unless we agree otherwise.
4. If you choose to sell your house and land without our prior agreement, your settlement options will be limited and you may choose from one of the following options instead:
 - a. we'll pay you for the actual cost of buying another comparable house in Fiji including necessary legal and associated costs (excluding the value of the land)
 - b. you may receive a cash payment based on the current replacement value of your house excluding demolition and removal of debris costs unless we agree otherwise.

In all cases:

1. We'll pay, where necessary:
 - a. the reasonable extra cost of complying with local authority laws and regulations when repairing or replacing the damaged parts of your house. This is provided those damaged parts complied with local

- authority laws and regulations at the time they were built or altered
 - b. the reasonable architects', engineers' and surveyors' fees necessary for the repair or replacement provided they are authorised by us before they are incurred
 - c. the reasonable cost of demolition and the removal of debris that directly caused the loss, including the contents unless specifically excluded.
- 2. Where we've paid the demolition and removal of debris costs, we retain any salvaged property.
- 3. If you pay your premium by instalments and your house is uneconomic to repair you must pay the rest of the annual premium before we settle your claim.
- 4. If we've been notified of a financial interest in your house we're obliged to make any cash payment to the interested party (for example, a mortgagee) up to the amount of its interest. This payment counts towards meeting our obligations under this policy.
- 5. We'll use building materials and construction methods commonly used at the time of the repair or replacement.
- 6. We'll not:
 - a. pay any extra cost of repairing or replacing any part of your house caused by that part not having a legally required building consent when it was built, or that part being built contrary to the building consent issued
 - b. pay for repairing or replacing any part of your house that has not suffered loss
 - c. pay for any neighbouring property's share where you jointly own property such as retaining walls, fences, gates or driveways
 - d. pay the cost of repair or replacement beyond what is reasonable, practical or comparable with the original when built or renovated
 - e. repair or replace your house exactly to its previous condition.

Assignment

Where you've made a claim for the repair or replacement of your house, you must not transfer any of your rights, obligations, title, interests or benefits under this policy without our prior written consent. If you do not obtain our prior written consent, any transfer is invalid at law.
